Helvetia services.

In simple language.

Your satisfaction is Helvetia's top priority. We support you with a range of round-the-clock services – in emergencies 24 hours a day, 365 days a year.

As a Swiss insurance company we stand for quality, friendliness and service. We do everything we can to make unpleasant situations as comfortable as possible for you.

Scope of insurance cover

The service product provides you with the following benefits:

- 24/7 assistance
- 48h claims payment

“Helvetia guarantees claims payment within 48h following a successful claims review.”

Helvetia customer portal

Your policies at a glance.

Innovative, customer-focused, there for you.

You can easily arrange the comprehensive Helvetia Service Package in addition to your policy.

Waiver of premiums

In the event of earning disability, you will benefit from a waiver of insurance premiums until the agreed end of the contract. However, you will continue to benefit from insurance cover.

Locksmith service

If access to your owner-occupied residential premises is not possible due to a sudden and unforeseen event and no other proportionate measures can reasonably be expected to be taken, Helvetia will organize a tradesman to provide access.

Waiver of gross negligence

Helvetia waives its right to a reduction in benefits in the event of grossly negligent conduct.

Card blocking service

At your request, we can block lost credit and debit cards as well as SIM cards.

Legal advice

Legal advice for all legal disputes is provided by the independent legal service of Coop Rechtsschutz.

Home Assistance

Home Assistance includes:

- Tradesman service
- Organization of construction management
- Removal of wasps', hornets' and bees' nests
- Immediate measures in the event of a technical defect
- Organization of a security service

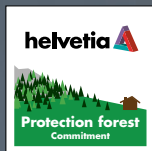

Psychological follow-up support

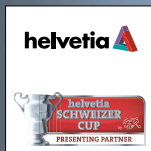

We will pay the cost of psychological support provided by a qualified doctor, psychologist or psychiatrist after an insured event.
