

Household contents and private liability insurance

Household contents insurance

All-round protection for your personal possessions

There are dangers lurking in the digital world too. Imagine you order something online and the wrong goods are delivered or your order never even turns up. Protect yourself with cyber insurance.

Helvetia household insurance protects everything you love and value.

Scope of the insurance cover

Household contents includes all movables (such as clothes, furniture, consumer electronics, pets, etc.) required for living and recreation.

Insured persons

All persons permanently residing in the same household as the policyholder.

Insured risks

- Fire and natural forces
- Theft and robbery
- Damage and destruction of all kinds due to external causes

Insured benefit

New for old replacement price for an identical or equivalent household item at the time of the damage.

Geographical scope of the policy

- At home in Switzerland and the Principality of Liechtenstein
- Worldwide for trips and excursions of up to one year's duration

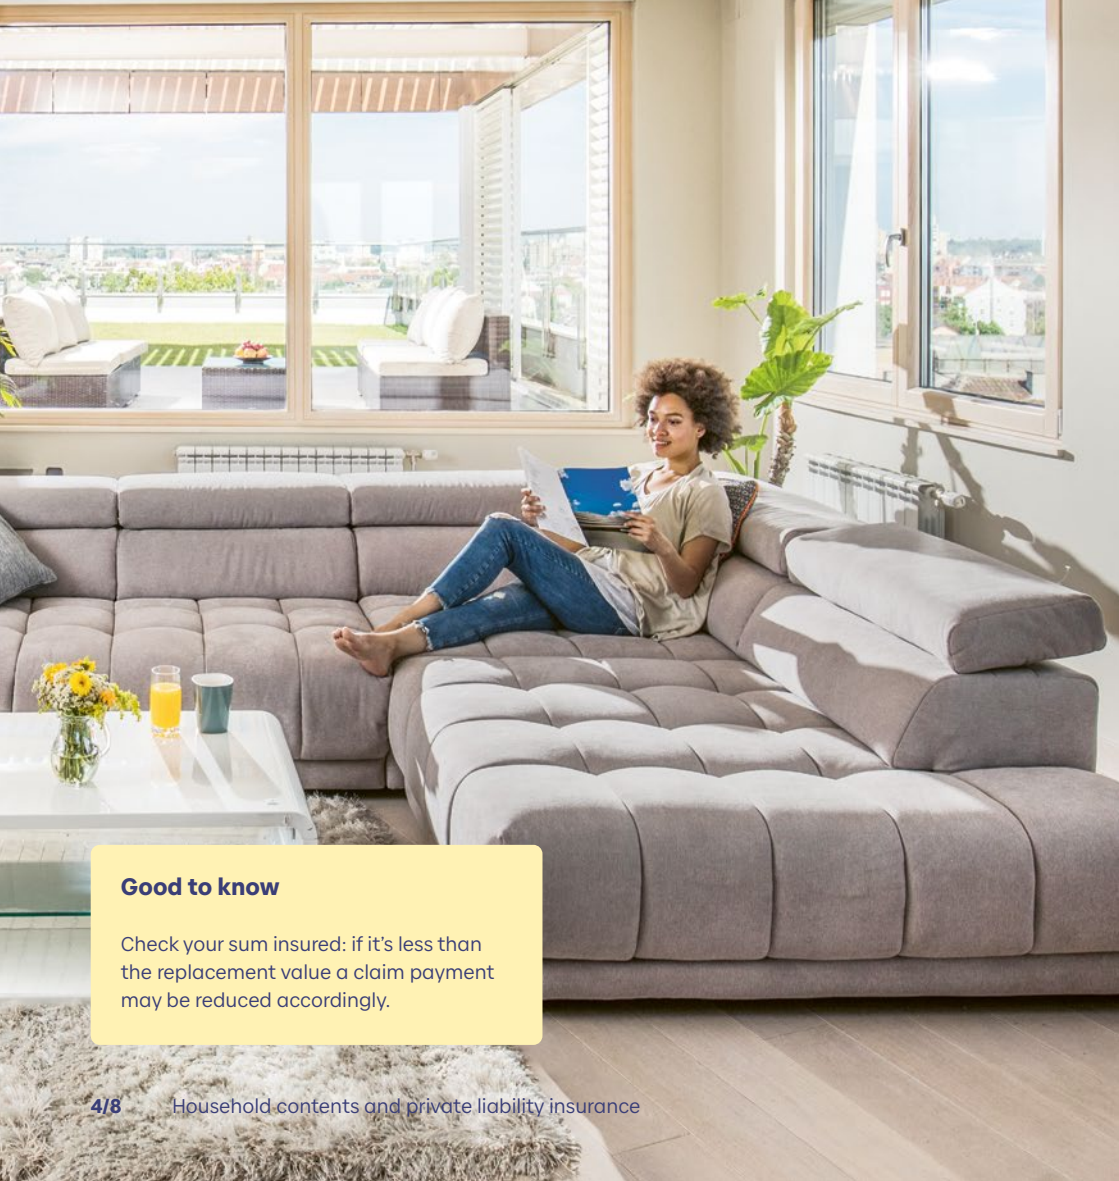

Tailor the policy to your needs

- Cover garden areas against fire/natural forces
- Cover for losses resulting from Internet use (cyber risks)
- Earthquake insurance
- Various all-risks insurances for everyday items (e.g. sports equipment, cameras, mobile phones, etc.)
- Theft Plus insurance
- Cover for necessary follow-up costs (e.g. clean-up costs)
- Cover for damage and destruction of special valuables (e.g. jewellery, antiques, collections, etc.)

Helvetia customer portal

Your insurance at a glance.

Theft Plus insurance:
Your sum insured is doubled
for overnight stays away
from home.

Good to know

Check your sum insured: if it's less than the replacement value a claim payment may be reduced accordingly.

Private liability insurance

Financial cover when
misfortune strikes

Insurance solutions tailored
to your needs – for everyone living
in the same household.

Private liability insurance covers claims for damages in the event of damage to third-party property or personal injury.

Scope of the insurance cover

- Settlement of well-founded third-party claims
- Defence against unfounded third-party claims

Insured persons

The policyholder. If there are other people living in the same household, cover can be extended to encompass a multi-person household. This includes all persons of all ages.

Insured capacities

- Tenant, leaseholder
- Owner, co-owner, condominium owner
- Head of family, carer responsible for day-care children, foster children and children on holiday
- Animal owner
- Person responsible for property taken over, entrusted in safekeeping or rented
- Athlete, marksman
- Users of third-party vehicles
- Users of bicycles and e-bikes with a pedal assistance up to 25 km/h
- Person responsible for holding the keys to a business

Geographical scope of the policy

- Worldwide insurance cover

Extend your cover

- Extended cover for the use of third-party vehicles (worldwide 365-day cover, including rental vehicles, etc.).
- Cover for losses resulting from Internet use (cyber risks)
- Teachers at private and public schools
- Skiing and sports instructors, mountain guides
- Hunters
- Tenants and borrowers of third-party horses
- Owners and users of model aircraft and drones up to 25 kg which are not subject to authorization

Extended cover for the use of third-party vehicles: worldwide 365-day cover, incl. rental vehicles, car sharing, etc.

Good to know

- Policies can also be taken out without any excess.
- Under supplementary policies for teachers, skiing and sports instructors and mountain guides: cover is provided for search, rescue and recovery costs for participants and students.
