Comprehensive car insurance.

With Helvetia's comprehensive insurance your vehicle is insured for every trip. Choose between partially comprehensive and fully comprehensive, either with or without damage to parked vehicles.

Scope of insurance

- Repair of damage to your vehicle, including equipment and accessories, with an option of unlimited value
- Replacement in the event of a total loss or theft

Insured benefits with partially comprehensive insurance

- Fire and natural forces such as storm, hail, rockfall, high water
- Earthquakes and volcanic eruptions
- Theft
- Glass breakage
- Marten damage and collision with animals
- Wilful damage by third parties such as breaking off wing mirrors

Insured benefits with fully comprehensive cover

- All benefits of partially comprehensive cover
- Damage to your vehicle resulting from a collision

Total loss cover

- All partial comprehensive insurance benefits
- Total loss of your vehicle due to a collision

RepairPLUS

With the RepairPLUS option we have your back in the event of a claim:

- Free pick-up and drop-off service
- Replacement vehicle during the repair
- Exterior and interior cleaning of your vehicle
- Repairs by a certified Helvetia partner company
- Lifetime guarantee on work carried out

Accident insurance.

Whether out shopping or on a family day out, protect yourself and your loved ones on every trip with Helvetia accident insurance.

Scope of insurance

- Damage or injury which you and passengers suffer in the event of an accident

Insured persons

- Driver and all passengers

Insured benefits

- Treatment costs (private ward)
- Daily allowance/hospital benefit
- Disability capital
- Lump-sum death benefit

Keep driving.

With Helvetia Keep driving you stay mobile whatever happens – from breakdowns to tyre damage or faulty wall charging stations.

Breakdown assistance incl. traffic legal protection

- Breakdown assistance
- Transport and towing costs
- Protection in the event of motoring disputes

Replacement vehicle and travel expenses

- Rental of a replacement vehicle of the same price category
- Journeys by public transport, taxis or other means of transport

Damage to tyres

- Replacement or repair including assembly

Damage to the wallbox for electric and hybrid vehicles

- Replacement or repair, for example after malicious damage, theft or short circuit

Good to know

- With bonus protection insurance, the first claim per year will have no negative effect on your bonus level.
- With BonusProtectionPLUS, claims will not affect your bonus level.
- With GlassPLUS, the vehicle parts made of glass – e.g. LED headlights – are also insured against breakage.
- With the compensation type Protection of purchase price your vehicle is insured in the first **two** years after vehicle purchase for 100% of the purchase price in the event of a total loss.
- With the compensation type Protection of purchase price PLUS, your vehicle is insured in the first **four** years after acquisition for 100% of the purchase price.

“With Helvetia you insure individual things that are important to you.”
